## TECHNICAL SKILLS AND TOOLS

HTML5

CSS3

SCSS

Tailwind CSS

JavaScript/ ES6+

ReactJS

Redux/Redux-Toolkit

Material UI

NextJS

NodeJS, Express and MongoDB

Postman

Cypress

Git and Github

VS Code

## WORK EXPERIENCE

### Software Engineer

Coditas Technology Private Limited

04/2021 - Present

Pune

#### Achievements/Tasks

- Collaborated with cross-functional teams to design, develop, and implement innovative software solutions.
- Utilized proficiency in **HTML5**, **CSS3**, **Tailwind CSS**, and **JavaScript** to create visually appealing and responsive user interfaces.
- Developed scalable web applications using **ReactJS**, contributing to a seamless user experience. Designed and developed **reusable components** in React, promoting code efficiency and maintainability across multiple projects.
- Successfully **integrated APIs** into the applications, ensuring seamless communication and data exchange between different software components. Also Played a significant role to **optimize** application performance using React best Practices.
- Integrated Stripe Payment Gateway for customer and Added Google Analytics tracking for Registration Portal using ReactGA library.
- Leveraged the **Context API** in React to manage and share state across the application, enhancing data flow and overall performance Also Implemented state management using **Redux-Toolkit**, enhancing the efficiency of data flow within applications.
- Leveraged **NextJS-13** for building performant and SEO-friendly web applications.
- Developed **Cypress** test cases, implementing automated testing to enhance the robustness and reliability of the codebase Also Implemented **React Testing Library** to ensure comprehensive and effective unit testing of React components.
- Utilized **NodeJs** and **Express** for server-side development, ensuring robust backend functionality.
- Actively participated in code reviews, providing constructive feedback to maintain code quality.

## EDUCATION

### Bachelor of Engineering in Information Technology

North Maharashtra University, Jalgaon.

06/2016 - 06/2020
